Subject: TOT Update for Transcom

- Summer Beach Bus service inaugurated June 18. Response has been better than expected and the service is running in excess of 20% fare box. Schedule change effective July 9th dropping on stop and adding a new stop at the Transportation Center.
- Moorpark Metrolink Commuter Shuttle service will launch July 15. Service will be offered 6 times daily between the station and locations in Thousand Oaks.
- Saturday Bus Service is on schedule to begin August 17. Service will operate from 8:00 a.m. - 8:00 p.m. coordinating with our existing DAR and ADA service hours.
- We are not going to do planned route changes in August. This is do mainly to the unavailability of ridership data from VCTC. We will consider comprehensive changes at year-end.

Other regional issues:

- East County MOU working group will meet on the 17th to hammer out final changes to MOU and review draft transit goals and implementation plan.
- Intercity ADA committee meets on the 10th. Main topic will be CHCD's pullout from program and Camarillo's response to fill service void created.

Subject: Re: No Transcom in July, but a request

We will be going to the Board of Supervisors on August 6 to request authorization to proceed with a Joint Powers Agreement between the County of Ventura and the Cities of Fillmore and Santa Paula. There is not unanimity among our Board members on how transit should be provided in the Heritage Valley and we want direction prior to proceeding with the JPA.

The Kanan Shuttle demonstration in Oak Park/Agoura Hills will begin August 5. We are finalizing the schedule, brochure and website which should be available in the next few weeks.

We are working on a bus stop inventory at unincorporated area bus stops countywide to analyze work needed. In addition, we will be providing additional amenities (benches, shelters, trash receptacles) at high volume stops.
